NURSING PROGRAMS

Associate in Science Degree

Basic Nursing Program

The Basic Nursing Program at Edison State College is offered to assist individuals to obtain an Associate of Science Degree in Nursing. The program is comprised of general education courses as well as clinical nursing courses. The curriculum incorporates classroom instruction, clinical laboratory simulation, and clinical practice in area hospitals, long-term care facilities, and various community health centers. It is recommended that all general education courses are completed before entering the nursing program. Graduates of the program will possess the knowledge, values, and skills essential to practice nursing in a dynamic and rapidly changing health care environment. Graduates are eligible to take the licensure examination (NCLEX-RN) administered by the State Board of Nursing in Florida.

ADMISSION PROCESS

The Nursing Program has selective admissions. Because enrollment is limited, not all qualified applicants can be accepted. In the event there are more qualified applicants than spaces available, a point system for admission will be utilized. The admission process established by the Nursing Programs is designed to select those candidates with the best qualifications.

In addition to the admission requirements for the College, the following are requirements for admission to the Nursing Program:

1. Completion of admission requirements to Edison State College (EC), including application and testing.*
2. Completion of program prerequisites: MAC 1105 (College Algebra) or higher, *or* STA 2023 (Introductory Statistics), and BSC 1093C (Anatomy & Physiology I) **prior to application deadline.**
3. Attainment of a minimum grade of “C” or above in all general education courses, including prerequisites, required in the Nursing Program.
4. Cumulative grade point average (GPA) of 2.75 or higher in all required general education courses completed.
5. **Testing:** Completion of the HESI test with a score of 70 or higher is **required** for admission. ACT test scores of 17 or higher taken within 2 years of application, prior to 6/30/08, will be considered in lieu of HESI.
6. Submission of **Official** transcripts from **all** post-secondary institutions including: one official transcript to the Edison State College Registrar’s Office **and** one official transcript attached to the Nursing application.
7. Evaluation of all transcripts from previous colleges by the ESC Records and Registration Department for transfer of credits. Once transfer credits are posted to your ESC transcript **only** official ESC transcript is required.
8. Attendance at a Pre-Admission Nursing Orientation.**
9. Completion of the Nursing Basic Program Application along with \$15.00 application fee receipt (by deadline).
10. Application deadlines: April 1 – Charlotte, Collier and Lee Day Program, June 30 – Collier and Lee Day Program and Lee Evening Program.

TRANSFER POLICY

Under normal circumstances, transfers between campuses are prohibited. Should extenuating circumstances arise which are beyond the student’s control, transfer requests will be considered on a case-by-case basis by a committee comprised of either the Basic or Advanced Placement Program Coordinators and the District Director of Nursing. All requests for transfer must include supporting documentation.

*The FCLEPT is used for placement in English and Algebra. It is highly recommended that students review English & Algebra before taking this test.

**Students must attend a pre-admission nursing orientation prior to applying to the Nursing Program. The information exchanged is vital to applicant’s understanding of the admission process. Please call the Nursing Office Lee Campus (239)489-9239, Charlotte Campus (941)637-5667, or Collier Campus (239)732-3748 to make arrangements to attend.
