

2010 Charlotte Campus Nursing HESI Exam Schedule

Exams are computerized and are held at the Charlotte Campus Testing Center located behind the Information Desk in Spatz Hall, Building "J". A study guide is available in the campus Bookstore. (No Chemistry or Physics categories are on the test)

A student may take the test twice in a 12 month period and must wait 30 days between tests. No paper, calculators or phones allowed in the testing center (the on line calculator can be used). The cost of the exam is \$50.00 and no refunds are issued if you miss your exam date.
