According to our records, you answered “YES” to question 56 or 57 on the FAFSA stating you are or were an emancipated minor or in legal guardianship as determined by a court in your state of legal residence.

You should have only answered “YES” to the question if:

- You can provide a copy of a court’s decision that, as of today, you are an emancipated minor or are in legal guardianship; or
- You can provide a copy of a court’s decision that you were an emancipated minor or were in legal guardianship immediately before you reached the age of being an adult in your state. The court must be located in your state of legal residence at the time the court’s decision was issued.

You should have answered “NO” if you are still a minor and the court decision is no longer in effect or the court decision was not in effect at the time you became an adult.
